Beautiful 5 bedroom, 4 bath on a slab. This is our Rosewood floor plan with open living and lots of living space. Walk into a open 2 story foyer with dining and study to either side. Straight ahead is a 2 story great room that opens up to the kitchen. Large island, custom cabinets, walk in pantry, and mudroom with storage bench space leads to garage. On the main floor you will find additional closets, guest room and public bathroom. Upstairs features large master bedroom with tray ceiling, luxurious master bath and oversized master closet. Four additional bedrooms, 2 secondary baths are located upstairs as well. The laundry room is located conveniently in the upstairs hallway.
