One of our most popular ranch plans is this 3 bedroom/3 bath Holly. This new ranch plan with covered front porch is easy living at its best! Just past the formal entry with designated coat closet, you will find a space that provides maximum livability. Enjoy an open kitchen with spacious island and counter seating options, huge walk-in pantry and views into the dramatic 2-story great room with fireplace and beautiful natural light. Beyond the great room is a large covered porch. Don't miss the mud room and convenient laundry room situated off of the garage. This ranch plan also features a secondary bedroom with great closet space along with an office and a full bathroom with designated linen closet on the main level. The main level owner's suite offers a gorgeous tray ceiling, dual vanities, walk-in shower, and a large walk-in closet. As you go up the oak tread stairs you will find an additional secondar ...
